

Dear friends judoka

The **20th Challenge International Judo Boucherville** organizing committee would be happy to welcome you on our annual competition which will be held on **Saturday, March 26, 2016**, in Boucherville, Quebec, Canada.

This is a team tournament for most of the weight and age categories that can be found in a dojo, from U11 to the master division. All divisions are competing the same day on two(2) competition surfaces

Over the years, the quality of the arbitration and the skill of the competitors (some of the best in Canada) have made this event a success. During the 2015 edition, more than 160 competitors and 35 teams from 15 different clubs have participated in this far-reaching event.

Our past experience in organizing team competitions allow us to ensure the highest quality of judo to all competitors. We welcome you to Boucherville.

For a better planning, it is important that you take notice of the rules and regulations as well as the limit date for pre-registration, which is March 21, 2016 and February 27, 2016 for teams coming from outside North America.

Sincerely,

Olivier Bry, president of the organizing committee
