

Dear friends judoka

The **24<sup>th</sup> Challenge International Judo Boucherville** organizing committee would be happy to welcome you on our annual competition which will be held on **Saturday, April 15, 2023**, in Boucherville, Quebec, Canada.

This is a team tournament for most of the weight and age categories that can be found in a dojo, from U14 to the master division. All divisions are competing the same day on two (2) Olympique competition surfaces.

Over the years, the quality of the arbitration and the skill of the competitors (some of the best in Canada) have made this event a success.

Our experience in organizing team competitions allow us to ensure the highest quality of judo to all competitors. We welcome you to Boucherville.

**For a better planning, it is important that you take notice of the rules and regulations as well as the limit date for pre-registration, which is April 08, and March 15, 2023, for teams coming from outside North America.**

**Regarding teams coming from outside North America, Club de Judo Boucherville takes charge of the lodging for 10 judokas (2 teams) and 2 coaches, 12 judokas(U21/senior) (2 teams) and 2 coaches, from April 13 to April 16, 2021. Please note that this offer is based on the order that the registration information will be received and the capacity of our volunteers.**
